Description

Location: Frankfurt am Main area/Other Several Places

Employment: Full-time

Salary: €34,000 – €45,000 gross per year
(depending on recognition, experience, and location)

Vacancies: 14

Position description:

We are currently recruiting a licensed Physiotherapist (m/f/d) for a full-time position in Germany. This role is ideal for international physiotherapists who already have German professional recognition (Anerkennung) or are in the recognition process and are seeking long-term employment in the German healthcare system.

The position is based in Bavaria, Germany, near the Frankfurt am Main region, Other eastern regions of Germany and offers stable employment, modern working conditions, and excellent career prospects for physiotherapists relocating to Germany.

Responsibilities

- Conducting a detailed analysis of the patients' physical condition and medical history.
- Creation and implementation of individual therapy plans, tailored to the respective complaints and needs of the patients.
- Application of various therapeutic exercises and manual treatment techniques to promote mobility, strength and general health.
- Guiding patients on correct exercises, ergonomic postures and sensible adjustments in everyday life to support rehabilitation.
- Regular monitoring and evaluation of the healing process with appropriate adjustment of the therapy if necessary.
- Close collaboration with other medical specialties such as doctors or occupational therapists to ensure holistic care.
- Meticulous maintenance of accurate patient documentation, including therapy plans, progress, and changes during treatment.
- Continuous training in new physiotherapy methods and technologies, as well as the integration of evidence-based approaches into treatment.
- Professional guidance and support for physiotherapy assistants or other support staff to ensure a structured and effective team process.
- Compliance with all professional ethical standards and legal requirements throughout the entire therapeutic work.

Qualifications

- You hold a state license as a therapist and have successfully completed your Bachelor's or Master's degree.
- German language skills at least at B1 level are required for the application; a

Globeria Consulting GmbH
